Golf Course News

Spring is just around the corner, which means, its time to get your golf clubs out of storage. Before you get all gung ho, go to the range, hit 500 balls and ache all over the next day, please give some thought to loosening up those golf muscles. Nothing drastic, swing the club a little bit in the back yard, no divots, just swings.

Stretching is paramount to developing a swing that maximizes its efficiency. Start slowly and work all your muscle groups, a little at a time. You all have this fine fitness center at the resort, take advantage of it, get started early and you will amaze yourself.

2009 Handicap Fees

Remember next time you stop by the Golf Shop, if you haven't all ready done so, please pay your 2009 HDCCP fee. The 2009 fee is \$20.00; any golf shop staff member will be happy to help you. Also be sure that after each round of golf to post your score. This is a requirement of the USGA in order for us to keep our status as a USGA affiliate golf course.

Golf Course Schedule

Apple Valley will re-open for the season on Thursday, March 26th. Hours for the remainder of March will be 8:00 am to 5:00 pm. During April and May the course will be open daily from 6:30 am to 6:00 pm.

Bald Mountain is open for daily play. Hours for the remainder of March are 8:00 am to 5:00 pm. During April and May the course will be open daily from 6:30 am to 6:00 pm. Bald Mountain will close for aeration April 6th, 7th and 8th.

Golf Clinics

Just a reminder to everyone, with the weather getting nicer we will begin our golf clinics again. Each Tuesday at Bald Mountain we work on your short game starting at 10:00 am on the driving range. Each Thursday at Apple Valley we work on your long game, also at 10:00 am on the driving range. Please register in advance for golf clinics at either golf shop; space is limited. The cost per clinic is \$15 and this is an excellent way to start the season off on the right foot. Both clinics are designed to focus on golf fundamentals, so make sure to bring your questions and we will address your specific needs.

Golf Leagues

Are you looking for someone to play golf with? If so, don't miss the opportunity to participate in one of several of our member golf leagues. Please call either golf shop to get more information on the available leagues or call the league coordinator directly from the groups listed on the left side of this page.

Online Features: You can now obtain the monthly Golf Calendar off the Member's page on the web site, www.RumblingBald.com. The link to the golf calendar is in the left hand column after you log on.

For Your Safety: Please remember that both courses are off limits to walkers, joggers, bikers or sight seeing. We will begin to see increased traffic on the courses during the spring and your following these rules is much appreciated.
