# About Our Activities

We are thrilled to welcome you and your child to our Rumbling Bald Summer Adventure Day Camp! Our day camp is designed to provide children with a safe and engaging environment to learn and have fun during the summer. We have planned a wide range of exciting activities, sports, arts and crafts, nature exploration, field trips, and more. All campers are together all day and are separated only for 'age-based' activities, such as sports days. Our calendar lists the 'featured activity' for the day. While each day will offer age-range games, crafts, swimming, and more, campers will spend extra time on their feature activities.

## KIDSENSES CHILDREN'S MUSEUM

Field trip time! This is an interactive children's museum in Rutherfordton, NC, about 30 minutes from Rumbling Bald. It is a two-story building with tons of hands-on learning in their featured Science Program Days. Lunch will be on site from our packed lunch. Campers will receive a 'discovery bag' at the end of their day and may shop in the gift shop.

📍 30 minutes from Rumbling Bald

## DITTMER WATT PIRATE DAY

X marks the spot. There's treasure to be found! Dress in your pirate best. We will work in teams during our scavenger hunt. Campers will learn about the local flora, fauna, and wildlife, all while learning to work as a team! Lunch will be held at the picnic tables on site.

📍 15 minutes from Rumbling Bald (across from Ingles)

## CAROLINA ARCADE

Field trip time! Campers will receive admission to classic arcade and pinball games. Campers will spend a few hours and have lunch onsite in their party room from our packed lunch.

📍 40 minutes from Rumbling Bald

## SKATES & STUFF

Located in our local town, our campers will have the entire skate rink reserved for skating and having fun. A complete game room is also on-site. Lunch will be on site from our packed lunch.

## BALD MOUNTAIN LAKE — WATER DAY

Located within our property and with no need to travel, campers will have fun paddle boarding, kayaking, and relaxing in the water.

*Water shoes (or any shoes they do not mind getting wet) will be required.*

## SCIENCE & ARTS N' CRAFTS/GAME DAY

No need to travel, our activities will all be on the property. Each of these activities will feature a specific hands-on science program or craft for campers to take home. Games will be team-based.

## What to Bring

Once registered, you'll receive a detailed list of what campers need to bring each day. We can't wait for a summer full of adventure, laughter, and new friendships!
