

ABOUT OUR ACTIVITIES

We look forward to welcoming you and your camper to **Rumblin' Bald Summer Adventure Camp!** Our program creates a safe, active, and engaging environment where kids can learn, connect, and enjoy a full summer of experiences. Campers participate in a wide range of activities, including arts and crafts, nature exploration, field trips, swimming, tubing, team games, and more. Groups stay together throughout the day and separate only for select age-based activities such as sports days. Each day also features a highlighted activity on the camp calendar, with dedicated time set aside for that experience.

KIDSENSES CHILDREN'S MUSEUM

This interactive two-story museum features 14 hands-on exhibit areas, curriculum-based workshops, and a 7,500-square-foot seasonal Children's Garden. Campers will enjoy imaginative, immersive learning experiences and receive a discovery bag to take home at the end of the day.

📍 *30 minutes from Rumblin' Bald in Rutherfordton, NC*

CAROLINA ARCADE

Campers will enjoy access to a wide variety of classic arcade and pinball games. This high-energy outing gives them the chance to play, explore, and experience timeless favorites in a fun group setting.

📍 *40 minutes from Rumblin' Bald in Forest City, NC*

CHIMNEY ROCK STATE PARK

A day of walking and hiking is paired with a special Animal Encounter led by Park Rangers. Campers will enjoy the outdoors while learning about local wildlife. Lunch will be provided on-site at the concession area.

📍 *30 minutes from Rumblin' Bald in Lake Lure, NC*

BOATING ON LAKE LURE

Campers depart from the North Shore Beach Cabana for a scenic pontoon cruise. This relaxed outing includes a bit of local lake history and, weather permitting, time to cool off with a supervised swim.

📍 *On-site at Rumblin' Bald*

TUBING ON LAKE LURE

With life jackets secured, campers head out for a speed tubing adventure. Lake Lure Adventure Company will pick the group up directly from our docks for a supervised, high-energy experience on the water.

📍 *On-site at Rumblin' Bald*

JUNIOR FIREFIGHTERS

A hands-on experience where kids become firefighters for the day. Campers will learn essential fire safety skills, meet local first responders, explore a fire truck, try spraying a real fire hose, and capture photos along the way.

📍 *On-site at the local Lake Lure Fire Station*

SCIENCE, ARTS & CRAFTS, AND GAME DAY

Each session includes a hands-on science experiment or creative craft for campers to make and take home. Team-based games encourage collaboration, problem-solving, and plenty of movement throughout the day.

📍 *On-site at Rumblin' Bald*

We are excited to share a full summer of exploration, connection, and memory-making with your camper! If you have any questions before the first day, our team is happy to help.

2026 Summer Adventure Day Camp

SUMMER CAMP MENU

Monday: Chicken Tenders with Mac and Cheese Bites

Tuesday: Make Your Own Chicken Tacos

Wednesday: Mini Cheeseburger Sliders with French Fries

Thursday: Spaghetti and Garlic Bread

Friday: Cheese Pizza

Each day will include a fruit cup, a cookie, and a Gatorade.

All Movie and Kitchen Bites Days will feature themed lunch options.

On field trip days, campers will receive a prepackaged box lunch that includes a chicken-and-cheese quesadilla. When appropriate and available, lunch may be provided at the field trip destination, depending on the location.

Note: If your camper has any dietary restrictions or food allergies, please be sure to notify us in advance so we can plan accordingly.
